The Self-Assessment form serves as a routine check to ensure that the necessary quality standards are met by all Institutes. It also facilitates institutes to quickly evaluate their internal quality parameters and take necessary actions towards enhancing quality.

It has been considered necessary that all the Nursing & Paramedical Institutes should fill the Self Assessment form with utmost sincerity and honesty before **31st May 2024** through this link: <https://tinyurl.com/upsmfselfassessment24>

Furthermore, Courses/institutes which have effectively received their affiliation from UP SMF in/after January 2023 will be excluded from the exercise this year.
