

SELECTION OF NURSING INSTITUTES AS HUBS FOR FACULTY DEVELOPMENT PROGRAM

Department of Medical Education and Training is committed to improving the quality of Nursing Education in Uttar Pradesh. In this regard, The State Medical Faculty invites interested nursing institutes to self-nominate themselves as HUBS for conducting Faculty Development Programs.

What will be expected of the nursing Institutes:

- Undergo an inspection visit by JHPIEGO (Johns Hopkins Program for International Education in Gynecology and Obstetrics) on pre-defined performance standards basis which shortlisting for HUBS will take place
- If shortlisted as HUBS the nursing institute will be required to:
 - Deploy 2 dedicated faculty for this program who shall be trained by JHPIEGO
 - Conduct classroom-based training and faculty development programs for other nursing colleges

The benefits to the selected HUBS would be:

- Recognition by SMF as one of the best quality Nursing Institutes in Uttar Pradesh and receive support from Technical Experts for conducting Faculty Development Programs
- Prescribe fee for the Nursing Faculty Development Programs as deemed fit subject to such rules and regulations of SMF notified from time to time
- Incentives during affiliation process for new courses or increase in batch size for existing courses
