To,

All Nursing & Paramedical Training Centers
(Government & Private Sector)

The Department of Medical Education and Training, Govt. of Uttar Pradesh is committed to improving the quality of Nursing & Paramedical Education in the state.

As stated in letter 8197/22, only institutes which have the required and functional infrastructure in place to share live feed with U.P. State Medical Faculty will be allowed to become exam centres.

Please note that the deadline for compliance has been extended to September 12, 2022 (Monday).

In this regard, please find below the infrastructure requirements that all institutes must meet:

1. 2 CCTV cameras with proper resolution (preferably, Dahua, Hikvision, CP Plus) in each exam hall & in the room where answer sheets are sealed;
2. Cameras in each exam hall must be placed diagonally opposite to each other
3. Minimum 2mbps internet connectivity per 8 cameras; 4mbps internet connectivity per 16 cameras; and so on
4. Ability to record video stream for each day of exams
5. Power/electricity backup
6. Please ensure there is only one DVR/NVR for all exam halls as well as for the sealing room
7. Please ensure access is not given to any other camera other than those in exam halls and the sealing room
8. Please rename the CCTV cameras as 'Institute Name, Exam Room number' or as 'Institute Name, Sealing Room' - as appropriate
9. After the institute has updated its infrastructure or believes it is ready with the requirements as mentioned above, it has to fill out a Google form sharing this information with UPSMF: <https://bit.ly/ExamInfra>

Institutes must update their infrastructure and share the completed Google form by September 12, 2022.
