**Subject: Regarding the proposed rating process for Nursing Institutes.**

Respected Sir/Madam,

Uttar Pradesh State Medical Faculty (UPSMF) conducted a rating exercise for nursing institutes in 2023, and the results were published on the official UPSMF website. In continuation of this initiative, UPSMF proposes to conduct the next rating exercise for nursing institutes in 2026. The National Nursing and Midwifery Commission (NNMC) Act, 2023, which is currently under implementation, also mentioned about rating exercises for nursing institutes, as outlined in Chapter III, Section 19(1). In preparation for the upcoming rating exercise, UPSMF will initiate a self-assessment process and provide handholding support to institutions in identifying gaps, strengthening preparedness, and improving their standards accordingly. A virtual orientation is scheduled on **29/05/2026 at 11:00 am to 1:00 pm** to explain the process.

Please note that this self –assessment tool is intended solely for quality improvement purposes and does not replace or serve as a substitute for any routine regulatory or council related requirements.

You are requested to take note of this and extend your cooperation for its successful implementation. Your institution's active participation will be valuable in strengthening overall quality standards and professional excellence.
